The November Mission of the Month Lutheran Disaster Response

We are a church that is a catalyst, convener and bridge builder. Lutheran Disaster Response collaborates with other disaster response organizations and religious entities in the United States and around the world. This enables the greatest stewardship of resources and maximum impact of response. We are a welcome partner because we respect the perspectives and strengths of others.

We recognize that every disaster is local. Because of this, we believe every response needs to be rooted in the community; we work to accompany that community from immediate relief through long-term recovery.

Lutheran Disaster Response strives to help the church continue to be church in the midst of disaster — following Christ's call to share hope and healing with our neighbor in need.

Some key areas of work include:

- Providing emotional and spiritual care for people who have been affected by a disaster and for leaders who respond to a disaster**
- Coordinating volunteers through our local affiliates**
- Assisting refugees in a holistic way by meeting the varied needs of the community**
- Promoting disaster risk-reduction by helping communities build their assets thereby reducing the effects of likely disasters**
- Providing long-term recovery efforts by addressing the unmet needs months or even years after a disaster strikes**

If you wish to donate, please make your check to FLC with Lutheran Disaster Response (LDR) on the memo line.
