July Mission of the Month

Habitat for Humanity

Habitat for Humanity is a movement of people in your local area and around the world, working together to build more prosperous and vibrant communities by making sure everyone has a safe, affordable place to call home.

Since our founding in 1976 as a Christian organization, together we have helped more than 62 million people in countries around the world build their futures on their own terms through access to decent housing. We've done that by working alongside people of all walks of life to:

- Build, repair and finance their homes.
- Innovate new ways of building and financing.
- Advocate for policies that make constructing and accessing housing easier for everyone.

Together, we build homes, communities and hope.

If you wish to donate to this worthy cause, please make your check to FLC with HH on the memo line.
