## *October Mission of the Month*

### *Lutheran Disaster Response*

Lutheran Disaster Response strives to help the church continue to be church in the midst of disaster — following Christ's call to share hope and healing with our neighbor in need. Some key areas of work include:

- Providing emotional and spiritual care for people who have been affected by a disaster and for leaders who respond to a disaster
- Coordinating volunteers through our local affiliates
- Assisting refugees in a holistic way by meeting the varied needs of the community
- Promoting disaster risk-reduction by helping communities build their assets thereby reducing the effects of likely disasters
- Providing long-term recovery efforts by addressing the unmet needs months or even years after a disaster strikes

If you wish to donate, please make your check to FLC with LDR on the memo line.
