**November Mission of the Month**  
***White Earth Church-In-Community Ministry***

The White Earth Church-In-Community Ministry is an outreach initiative dedicated to serving the White Earth Community (Ojibwe/Chippewa Nation). This is a jointly funded mission of the Northwestern Minnesota Synod of the ELCA and the Episcopal Diocese of Minnesota.

The mission of this ministry is to help support and create leadership development and cross-cultural theological education. The ministry seeks to honor and incorporate Ojibwe and Christian spirituality.

Although the mission is supported by a grant through September of 2027, additional gifts will be used to strengthen and sustain the ministry into the future and extend its impact among God's people. Miigwetch (Ojibwe/Anishinaabe word that means "thank you".)

If you wish to donate to this worthy cause, please make your check to FLC with WECC on the memo line.
