MAY MISSION OF THE MONTH

Sudan Crisis Response of The Lutheran World Federation

Sudan is experiencing the largest hunger crisis in the world. Food assistance is difficult because of civil war, displacement of the people, and blocked humanitarian access to places where famine is most severe. The Lutheran World Federation (LWF) has been actively addressing the needs of populations who have fled the conflict and are currently displaced in the neighboring countries of Chad, Ethiopia, Uganda and South Sudan. “All these countries are already dealing with internal conflicts and large numbers of refugees and internally displaced people. Humanitarian aid is urgently needed to provide water, food and shelter to those who have lost everything.”

If you wish to donate to this worthy cause, please make your check to FLC with Sudan on the memo line. If you choose to donate cash, please use an offering envelope and write Sudan along with your name.

There are offering envelopes in the pews.
